

Attendance Policies

Please take attendance for all courses whether the instructor requires those attendance sheets to be faxed or not; even for those courses for which the attendance policy is unknown. At the end of each semester you will be asked to mail the attendance sheets to University College. When required, please fax attendance sheets to 1-800-696-1125. Compressed video and asynchronous courses are not listed because attendance sheets are not used in courses with these formats.
