

DEGREE PROGRAM INFORMATION SESSIONS

Preparing for a Nursing Career

Wednesday, November 4, 4 to 5:30 p.m.

Nancy Cooley, University of Maine at Augusta (UMA) Academic Coordinator for Nursing, **Brenda Webster**, University of Southern Maine (USM) Coordinator of Nursing Student Services, and **Karen Martel**, USM Advisor, will discuss options for entering the nursing profession. Information about associate, bachelor, and master level options and admissions requirements will be shared, including local access.

Preparing for a Human Services Career

Thursday, November 5, 4 to 5:30 p.m.

Grace Leonard, University of Maine at Augusta Dean, College of Natural and Social Sciences, will help current and prospective students understand the various points of entry to careers based on degree level. Information about the associate's and bachelor's degrees in Mental Health and Human Services, and certificates (Child and Youth Care Practitioner, Human Services, Mental Health Rehabilitation Technician/Community, and Substance Abuse Rehabilitation Technician) will be presented. State certification and licensing issues will also be addressed.

- **Sessions are free and the public is invited**
- **Advance sign-up for sessions is required—email lwhitney@maine.edu or phone 442-7736**
- **University College at Bath/Brunswick is located in the Midcoast Center for Higher Education, 9 Park St., Bath, ME 04530**
- **www.learn.maine.edu/bath**
